### **SOME THINGS YOU SHOULD KNOW:**

- 1) Please note that the kitchen is suitable for cooking simple meals, or warming meals ordered from outside. It is not designed for cooking elaborate meals.
- 2) If your booking is for 3 days or longer, our house maid will come and do sweeping and mopping the apartment & wash the dishes once a day. She will do so at specific timing and you need to be present in the apartment at that time.

3) *There is no caretaker in the apartment. There will be easy self-check in process, but if I am in town and not in a shoot, I will do my best to personally greet you.*

4) *You are not allowed to have any get-togethers, or functions in the apartment. You are booking this apartment for your stay only, so carrying on any commercial activity is also not permitted.*

5) *Please note that normally a maximum 2 guests are allowed to book this apartment & you are required to inform us the number of guests you are booking for, and their names at the time of booking.*

*In case you have a third family member who is a child up to 14 years, we will provide a floor mattress, pillow, bedsheet and blanket for the child in the living room. You will need to keep or fold this bed daily yourself.*

6) **IMPORTANT:** *We need to know your likely check in time in advance so that we can receive you at the society gate for check in or inform the security guard.*

7) *No car/bike parking is available inside the compound. You can almost always get parking in the by lanes, but we cannot assure that.*

8) *As you enter thru the common security door, in that passage there is a security camera facing the 2 apartment doors.*

9) *There are several paid laundry options available for guests, which I will explain upon check in.*
